B.L.E.S.S. Community Group Guide // January 15-22, 2023

Take some time to share:

What are you celebrating this week?
Are there any challenges you are facing?
How can the group help?

Scripture - 2 Corinthians 5:15-21, Luke 19:1-10, Genesis 12:1-3, Galatians 3:7-9

Opening thought: The mission of our church is helping people connect with Jesus in a life-changing way.. That means we are all part of it, all the time. It might be challenging to think about our role in that mission.

Discuss: *If we're not sure what it looks like to be "on mission," then we might be hoping people connect with Jesus rather than helping people connect with Jesus. What is the difference between hoping and helping? Explain.*

Bible Discussion

- 1.. Read 2 Corinthians 5:17-21. What is Jesus saying about God's mission and our role in it?
2. Read Genesis 12:1-3 and Galatians 3:7-9. God has always wanted his people to be blessed to be a blessing to others. What do you think about that insight?

Life Application

- A. Review the BLESS practices; they represent a simple strategy for living our everyday lives on mission. Which of these practices come most naturally to you?
- B. Which practices are challenging for you?
- C. Is the notion of living your whole life "on mission" a new one for you? If you started living your life in that way, what would be different about your life?
- D. Who could you BLESS in your life that is far from God now? Are there specific ways you could serve them?

Challenge- Living the BLESS practices is not about adding another "thing" to your calendar, but it's a prayerful and generous posture toward the world that looks for opportunities to serve others and share the story of how Jesus is changing our lives. This week, download the "Bless Every Home" app and start praying for your neighbors. You can make a list of people in your life that are far from God and begin praying regularly fo rhythm as well.

The BLESS Practices

Begin with Prayer

The "B" is for Begin with Prayer. We believe that prayer is how you discover your mission as well as how you accomplish it. If you're not sure who the people are God is calling you to bless or where the place is God is calling you to go, you can begin with prayer. And if you know people or the place you want to impact, begin praying for those people and that place.

Listen

The "L" in BLESS is for Listen. Sadly, most Christians are known for talking more than listening. If we sincerely hope to impact the lives of people around us, then we must first get to know them. Any relationship starts with listening. We need to listen to their hopes, their dreams, and their challenges. Truly listening may be the kindest and most loving gift you can give someone.

Eat

The "E" in BLESS is "Eat." This third practice is our personal favorite, and it's something in which many of us are experts—eating! There is something about sharing a meal that moves any relationship past acquaintance toward friendship—faster than just about anything else we can do. And there are few ways we can better bless the people around us than by sharing a meal.

Serve

The first "S" in BLESS is for "Serve." We are convinced that if you will begin with prayer, listen, and eat; there is a good chance that by then you will have discovered how you can best serve the person or place to which God has called you. They'll likely tell you how you can best serve them.

Story

The second "S" in BLESS is "Story." Our experience is that if you do the other BLESS practices – Begin with Prayer, Listen, Eat, and Serve; then there is a good chance you will have the opportunity to share your story. Someone may ask you to explain what makes you different. It is then that you can tell them your story of how Jesus changed your life.
