

Hi, Church,

I wanted to share with you an update in relation to recent events related to coronavirus. At CCC, we are continuing to move forward with scheduled services and events. We are praying for our government officials, medical professionals, and those who have COVID-19. We are also taking precautions.

We are asking that people at risk, such as the elderly, those with compromised immune systems, or with respiratory issues, stay home and watch online. You can watch online on our [Facebook page](#) live at 9 AM on Sundays, or throughout the week on [YouTube](#), or on [our website](#).

If you have any cold or flu-like symptoms, please stay home. We would also encourage you to get tested ([Testing in the U.S. per the CDC](#)) for the health and safety of yourself and those around you.

For those who are able to come, join us as we stand together in faith and worship at CCC this weekend! Let us be the agents of peace that Jesus has called us to be.

We would also ask that you continue to give to your church as we move forward. We are 100% dependent on your giving and it is important that we continue to share the good news of the Gospel during this time, giving hope and peace to others. There are a few ways you can give even if you are not here on a weekend:

Text To Give: Text 781-381-4338, follow the prompts. You only need to register once.

Online: On our [website under Give](#)

In the Mail: Send checks to CCC, P.O. Box 325, East Taunton, MA 02718

Additionally, this week and moving forward, at all of services we are adding some further measures for your health:

- We will be cleaning & disinfecting the nursery and classrooms after each service.
- We are disinfecting every handle and door push before and after every service.
- We will be skipping handshakes, hugs, fist bumps, and high fives. We can still be warm and welcoming by replacing physical contact with a wave and a smile.

We, as a church, need to ensure we are being agents of peace. Let's continue to walk by faith, not by sight, or react out of fear. Hope to see you this weekend.

In Christ,
Pastor Matt
