

CG Guide: Who Am I? God's Purpose

Discuss:

What would a video of all of the 168 hours of your week show the purpose of your life is?

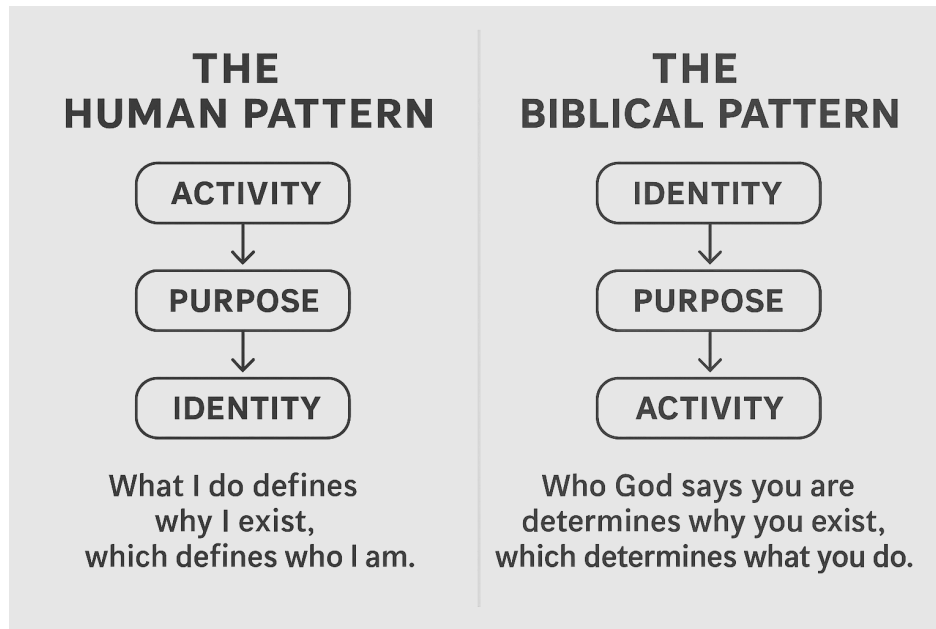

1 Corinthians 10:31 NIV - "So whether you eat or drink or whatever you do, do it all for the glory of God."

God's Purpose for Us is to:

1. To Know Him Personally
2. To Become Like Christ
3. To Join His Mission of Redemption

Our purpose: To know Him personally

1. God's purpose is relational before it is functional.
John 17:3 NIV - "Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent."
How would you describe how to have a personal relationship with Jesus? What does yours look like?
2. Review the ways God has changed our identity: His child (John 1:12), His heir (Romans 8:17), His ambassador (2 Corinthians 5:20), Holy and blameless (Ephesians 1:4), His workmanship (Ephesians 2:10)
How does knowing your identity in Christ help you to know your purpose in life?
3. Look over the graphic and discuss the new pattern of Christ in relation to the human pattern of the world

How would speaking the truth of your identity over your life daily help you live out your purpose?

4. Read Galatians 5:22-23. How do we develop Christ-like character, and how is it the opposite of our nature?

This is not behavior modification—it is spiritual transformation.

5. What comes to mind when you think of joining Jesus' mission?

6. What area needs the most focus on right now?

God's Purpose for Us is to:

1. To Know Him Personally
2. To Become Like Christ
3. To Join His Mission of Redemption
