

## Community Group Leader qualifications:

First, we are looking for someone who is devoted to living like Jesus and second, someone who has a deep desire to help others to do the same. The goal is to lead people to a deeper relationship with Jesus and others, and it takes a leader that are authentically open about their own struggles and faith journey. If you can say yes to the following statements then you might be a great fit:

1. You have a heart for Jesus that is founded in the Gospel (being a Bible scholar is not required!).
2. You care deeply about the lives and spiritual walk of others.
3. You are humble and teachable.
4. You are available and committed.
5. You are honest with others about both your failures and successes in life.
6. You understand that changed lives and healing happens through the work of the Holy Spirit, and our role is to facilitate the process.
