

## Gospel Life: Glorification

Opener: Would you rather be forced to change or wait a long time for something?

---

### What is Glorification?

Glorification is the culmination of God's redemptive plan. It is the moment when believers are completely freed from sin and transformed into the fullness of Christ's likeness. This is not just spiritual renewal but a complete renewal of body, soul, and spirit.

---

"Our willingness to wait reveals the value we place on what we're waiting for."  
~Charles Stanley

---

1. Is glorification worth waiting for? Is it something you regularly think about?
  2. Our hope in glorification should lead us to an active waiting. Which one is your strength and which one is a growth area for you? Look up each verse  
W- Worship God only (Romans 12:1)  
A- Anticipate Christ's return (Philippians 3:20-21)  
I- Intentionally live like Jesus (1 Thessalonians 5:16-22)  
T- Trust God's word and will (Jeremiah 29:11)
  3. How will you live out your gospel life from this point forward?
