Discovery Bible Study Guide
Week 5- Oct 12-17, 2020**

Take some time to share:

One thing that you are thankful for this week

One thing you are in need of (try and stick to one thing and personally related)

How can the group help?

Pray for the person next to you or ask for a volunteer to pray. It is often helpful to pray for the person right after they share before going on the next person

Read the passage out loud: Genesis 3:1-7 You may want to read the whole chapter and then focus on verses 1-7.

(Have the group read it)

Have the group discuss how many individual statements the passage makes:

1. What does it say? (You may want to use additional paper)

About God/ Jesus/ Holy Spirit?

About Humankind?

2. Why does it matter?

Do you believe it?

What does it mean for you?

3. What will you do?

In response to what you learned, what will you do about it?
(Is it an action, an attitude, or a belief?)
